**RE: Petition of South Carolina Electric & Gas Company for authorization to defer incremental operation and maintenance expenses that will be incurred as a result of complying with certain requirements promulgated by the United States Nuclear Regulatory Commission; Docket No. 2012-277-E**

Dear Ms. Boyd:

By Order Nos. 2012-780 and 2015-298, issued in the above-referenced docket, the Public Service Commission of South Carolina ("Commission") authorized Dominion Energy South Carolina, Inc. ("DESC" or "Company") to defer and record as a regulatory asset up to \$4,500,000 in incremental operation and maintenance expenses that DESC will incur as a result of complying with certain requirements promulgated by the United States Nuclear Regulatory Commission.<sup>1</sup> As part of its order the Commission stated, "[t]he Company shall provide to the Commission and to ORS quarterly updated reports of the deferral of any associated incremental operation and maintenance expenses." See Order No. 2012-780 p.5. The purpose of this letter is to provide the Commission and ORS with a status update of the deferral account.

As of March 31, 2019, the incremental operation and maintenance expenses booked to the deferral account totals \$4,422,691.14.

By copy of this letter, DESC is providing the South Carolina Office of Regulatory Staff with this status update of the deferral account.

---

<sup>1</sup> After the issuance of Order Nos. 2012-780 and 2015-298, South Carolina Electric & Gas Company changed its name to Dominion Energy South Carolina, Inc. on April 29, 2019. To avoid any confusion, this letter refers only to Dominion Energy South Carolina, Inc.
